

Website

We have added another new feature to the class pages - 'blogs'. Each phase can blog information about what is happening at school. This will update the school's twitter feed and the parent's facebook page. I hope you find this a useful feature.

Football - 12th Nov

Orchard Football team played their first league match, playing Holyrood Primary School. The pitch was very muddy with deep ditches and puddles, this caused slips and slides for the players. Charlie Davis was chosen to be the captain and led the team well. Orchard took the first kick off, with superb passing and teamwork from the players, before half time had a 9-0 lead. The defence was barely challenged and when Holyrood got an attack in, Ben and Lenny cleaned it up. Although the opposition tried hard, they were no match for Orchard's well organised team. The final score ended up as 15-0 with all outfielders scoring a goal. Our goalkeeper Cameron was unchallenged during the match as most of the game was in Holyrood's end.

Fun Run - 13th Nov

Year 5 put on their running shoes ready for the Fun Run event at Cherry Tree School. The first 1500m event was the boys' race, which quickly saw Charlie and Pirez soar in front, as they reached the finish line Charlie took the lead and found an extra burst of energy which saw him cross the finish line in record timing coming 1st. Pirez was close behind coming 5th. The rest of the boys all finished in good time and we were all proud of their efforts.

The rain was coming down harder as the girls started their race. Lasen and Kelsey started off well, taking the lead, with the boys cheering them all on from the side line. The girls reached the finish line, they gave it all they could with Lasen coming 3rd, closely followed by Isabel who came 4th and Kelsey coming 5th. The rest of the girls crossed the finish line with smiles on their faces and with the rest of the class proudly cheering them on.

The final race was a fun run which was open for everyone. Some of the exhausted boys and girls decided to take part in this race too. Cailan quickly took the lead, making the pace maker work extremely hard - it ended with them both crossing the line in record timing. We were all really proud of ourselves.

Tri Golf - 16th Oct

Year 5 arrived at Cherry Tree School for a Tri Golf tournament. We started off a bit confused but as we moved along the games we got the hang of it and started stacking points. The A and B teams both started well, but as Orchard A team moved along to the game Grand National they scored an amazing score of 281 points for their team, the highest score in the whole tournament. Orchard A team were announced the winners of the Tri Golf tournament went through to finals of the Tri Golf tournament at Rickmansworth Golf club.

Orchard A Team Tri Golf Final - 23rd Oct

We started off really well with a total of 310 points breaking our record from the previous week at Grand National. We worked really hard improving our skills in each event and were really proud with our results! We came fourth in the event with only a few points in it.
