

## Summer Fayre

The PSFA (Parents, staff and friends association) are holding their annual summer fayre this Saturday 12.00 - 14.30 . Please do either support the event by helping - on a stall/with setting up/tidying away and by coming along and joining in with the fun and activities. I look forward to seeing many of you there.

*Paul Sutton*

Last Tuesday the children from Year 1 - 6 took part in a range of maths problem solving activities from the Happy Puzzle

Company. They had to work in teams to solve logic problems and worked on teamwork, communication and also perseverance! The children all thoroughly enjoyed themselves and it was great to see the parents taking part at the workshop after school too! *Miss O'Neill*

## Letter from HM The Queen

Last Friday, 2AH received a thank you from Her Majesty The Queen, for the birthday cards they sent to her in April. They were delighted to have a reply back from her.

*Mrs Harrop*

## Partnership Cricket Final

The Year 6 boys played in the cricket final on Thursday 9th June. On an incredibly hot day at Watford Cricket Club the team were up against some of the best schools in the area. It was a tricky opening match but Orchard managed their first win - another win followed. We knew the next match against Tanners Wood would be tricky but Orchard won by just a few runs. Little Green was next and it turned out to be our hardest match. Our last game was against Woodhall and we won convincingly. The boys are now through to the county final. This is a great achievement by the boys and we wish them luck in their next tournament. *Mr Williams*

## Art Project

On Friday 10th June Year 5 went to the University of Hertfordshire for an art and science day. The children did observational drawings and paintings before using polyfusion to create their own microorganisms, where they had to include the cell wall, vacuole, mitochondria, cytoplasm and nucleus. *Miss O'Neill*

## Events Happening at Orchard
