The Welfare Administrator takes responsibility for First Aid each day this includes break times. Lunch times are covered by a Midday Supervisor who specifically only works in First Aid.

The Business Manager will ensure that First Aiders have a current certificate and that new persons are trained should first aiders leave.

Parents and/or guardians will also be informed. No casualty should be allowed to travel to hospital unaccompanied and an accompanying adult will be designated in situations where the parents cannot be contacted.

The school will follow the procedure for completion of incident/accident records in accordance with HCC guidance.

Blood Spillages

The school has a risk assessment for cleaning bodily fluids this has been developed in line with HCC guidance on Protection from Blood borne viruses. Copies of these forms are available from the school office.

The Headteacher will countersign the HCC report form before the original copy is sent. A copy should also be kept at the establishment.

- A local accident book, in the medical room, is used to record all minor incidents to pupils any more significant incidents must also reported to HCC using the forms described above.
- School accident reports will be monitored for trends and a report made to the Governors, as necessary.
- The Headteacher or their nominee will investigate accidents and take remedial steps to avoid similar instances recurring. Faulty equipment, systems of work, plant, equipment, fittings etc, must be reported and attended to as soon as possible.

Reporting to the Health and Safety Executive (HSE).

In the event of a fatality or major injury these incidents will be reported immediately to the Health and Safety Executive (HSE) on-line at their web site <http://www.hse.gov.uk/riddor/> or by telephone on 0845 300 9923. The Education Health and Safety team should also be informed on 01992 556478.

The school has a lone working policy, procedure, risk assessment and panic badges for staff who are expected work alone regularly. To ensure their safety a panic badge is worn by the member of staff. The badge uses smart technology that can summon the emergency services if they fall or feel unsafe.

Work carried out unaccompanied or without immediate access to assistance is risk assessed to determine if the proposed lone working activity is necessary.

Work involving potentially significant risks (for example work at height) **should not** be undertaken whilst working alone.

Where lone working cannot be avoided staff should:

- Obtain the Headteachers/senior member of staff's permission and notify him/her on each occasion when lone working will occur.
- Ensure they do not put themselves or others at risk.(Refer to [Guidance on Personal Safety in the Health and Safety Manual](#)).
- Ensure they have means to summon help in an emergency e.g. access to a Panic badge, telephone or mobile telephone etc.
- When working off site, (e.g. when visiting homes), notify a colleague of their whereabouts and the estimated time of return. (It is good practice to obtain background information about the child/family being visited and also to pre-plan the route if the premises are unfamiliar.)
- Watford Keyholding Security will attend the premises if the alarm is activated outside of school times.
- Key holders attending empty premises where there has been an incident or suspected crime should do so with a colleague if possible. They should not enter the premises unless they are sure it is safe to do so.
